

Elective 1:

Art 1

This class will be working on an art project with Pastor Joe.

Elections

This class will be holding a mock election and each child who partakes in this class will be running for senator. They will be learning about the political process and how to effectively run a campaign.

Drama

In this class, we will learn the basics of stage acting. We will play drama games and work on some improv exercises. They will also work on a short skit to perform for the camp closing.

Puppet Making and performing 1

This class will make a puppet and then work on learning some basic puppetry fundamentals and choreography to perform for the camp closing.

Camp Store

This class will be in charge of marketing the items in the camp store. They will also be in charge of concessions Thursday night.

Videography

This class will brainstorm, film, and put together a creative video to show the following Sunday.

Elective 2:

Rhythm and Song

This class will develop a piece using some special effects and stomp principles. Lots of focus on music and music theory. There will be lights, smoke, noise, and fun! It will be a combination of art forms including music, drama, and other interpretive media.

Puppet Making and Performing

This class will make a basic sock puppet and then work on learning some basic puppetry fundamentals and choreography to perform for the camp closing.

Camp Media

This class will be responsible for gathering camp footage and putting together the camp daily blog, the recap videos, and the final video for the following Sunday.

Creative Movement

This class will take a song and learn some choreography. They will use some basic props and dance moves to interpret a song. The song and choreography will already be determined and set before the class begins. They will perform the song for the camp closing.

Art 2

This class will be working on an art project with Moriah Bruce.
